

LITERACY & NUMERACY TRAINING PROGRAMME

2 out of every 5 New Zealand adults will struggle to:-

1. Complete workplace documents
2. Understand company processes and procedures
3. Problem solve
4. Calculate or estimate quantities
5. Understand and follow instructions
6. Communicate effectively

40%

of New Zealand adults have low levels of literacy and/or numeracy impacting their ability to perform well in a modern workplace and engage successfully in industry training.⁽¹⁾

Workplace
Communication

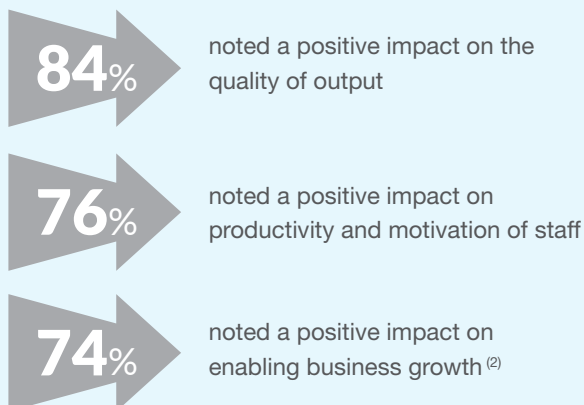

How could it benefit your business?

- ✓ Improved accuracy of calculations and estimating quantities
- ✓ Improved comprehension of office documentation
- ✓ Increased productivity at work
- ✓ Increase in staff morale, confidence and engagement
- ✓ Improved Health and Safety compliance

Results from previous programmes.

Of those businesses who engaged in Workplace Communication training

“After the budgeting session, I started to think about saving and opened a new bank account which I only use to save money, not spend it. I get more done in the day and am more organised. I use my SMART goal to get a better night’s sleep. Now I feel much better at work, I do not arrive tired and grumpy”

Toll Group Learner

Aspire2 Business is the largest provider of Workplace Communication programmes in New Zealand, operating nationally for over twelve years.
