Workplace
Communication

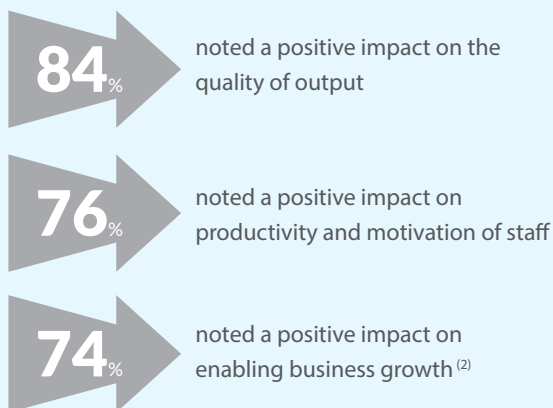

How could it benefit your organisation?

- ✓ Improved team effectiveness and communication
- ✓ Employees complete workplace documents fully & accurately
- ✓ Increased employee engagement and retention
- ✓ Focus on continuous improvement
- ✓ Increased productivity at work

Results from previous programmes.

Of those organisations who engaged in Workplace Communication training

“Learners have improved understanding of key workplace documents including risk control and permit to work, which means greater ability to connect with the content and apply it to their workplace. This will assist in the reduction of potential accidents.”

Ballance Agri-Nutrients Learner comment

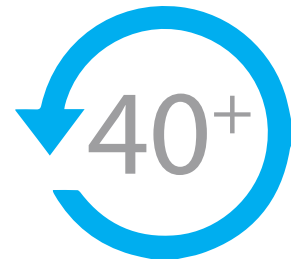

Aspire2 Business is the largest provider of Workplace Communication programmes in New Zealand. In operation for over 20 years supporting the New Zealand workforce.
